Re: Approval of Work Plan & Cost Estimate of Task Order **452RA-1 - Planning Meeting**

Dear Mr. Raymond:

The Division of Waste Management, Superfund Section, Pre-Regulatory Landfill Unit has reviewed S&ME's **July 27, 2016 Work Plan & Cost Proposal** for a planning meeting for Task Order **452RA-1**. Based on that review, the *work plan & the cost proposal* in the amount of **\$3,035.82** is approved. This letter serves as notification of that approval and as authorization to proceed with activities associated with that work plan.

While the total expense on the invoice cannot exceed the amount approved, individual task components within this task approval may vary. Any increase in cost to this scope of work must be approved prior to implementation. A task order addendum must be requested to cover an additional scope of work or unforeseen site circumstances. Notify me immediately and request additional funds to cover eligible and reasonable costs. Cost of additional work conducted without approval will be ineligible for payment.

Please let me know your pick(s) of field work, so I can send out our notices to the property owners adequately. Thanks for your help. If you have any question, please feel free to call me.

Sincerely,

Zi-Qiang Chen, PhD, Environmental Engineer, II
